

## What is U.M.A.R.A.?

U.M.A.R.A. stands for United Martial Arts Referees Association. It is a non-profit organization, which has been in existence since October 1977. U.M.A.R.A.'s primary charter is to provide quality officiating at U.M.A.R.A. and U.M.A.R.A. sanctioned tournaments within the tri-state area consisting of Pennsylvania, Northern and Southern New Jersey, and Delaware. U.M.A.R.A. is in the process of expanding its membership throughout the 50 states and foreign countries.

To accomplish this the Association sponsors clinics so that its members and prospective members can learn and maintain their skills as referees, and to instruct others in the fine points of officiating. Members and instructors from all the major Martial Arts styles and disciplines assist members on: what to look for while judging forms and sparring, in regard to correct execution of technique, what is a recognizable point, what is excessive contact, and other fine points necessary to assure uniform officiating and fairness.

The U.M.A.R.A. organization has been increasingly more visible due to the success of its Tournament Sanctioning Service and the unique fact that many of its members are among the top competitors and instructors in the Tri-State region. In addition, U.M.A.R.A. provides, upon request, tournament directors with tournament counseling so that they may be abreast of the latest developments in the fast-changing tournament scene.

U.M.A.R.A. directors have also been instrumental in fostering and implementing U.M.A.R.A. rules and procedures in South Africa, Holland, Germany and Australia.
